Transition Away from Sheltered Employment: What We Know and What We Can Do

January 21, 2025 11:00 AM – 12:30 PM EDT

About this presentation: This session offers the latest research relevant to the barriers and facilitators of transition from sheltered 14c employment to competitive, integrated employment. This session is relevant for service providers, families, and people with disabilities considering transition. This session features research highlighting commonly reported concerns and fears around transition, as well as potential strategies to remediate these common challenges. Both staff and the job seekers they support will benefit from this knowledge base. Understanding the challenges and resultant, effective support strategies can assist organizations faced with redefining and reinventing their mission related to competitive, integrated employment. Attendees may submit questions to drbarnes@usf.edu.

Advance Registration: [Register Online!](#) After registering, you will receive a confirmation email containing information about joining the meeting.

SPEAKER/PRESENTER

Sandra Block is a Research Associate at Indiana's Institute on Disability and Careers. She provides technical assistance to special education teachers and school districts in Indiana, instruction in Discovery

best practices, customized employment, job development, and offers subject matter expertise in employment services as well as a plethora of other disability-related topics.
